PRESIDENT'S REPORT

Written by Nathalie Smalberger

Penning this missive from afar on NYE, awaiting to board a flight to Perth, I cannot help thinking that Boarding Flight 2024 is shortly happening and that hopefully we have checked in the best souvenirs from 2023 and discarded the sad and bad moments from it. At NTC, it has been a bumpy, busy and happy start to the 2023/24 summer tennis season. A broken fridge mere days before hosting Junior Open Day and Open Day back-to-back, and an old printer which saw it fit to give up the ghost at the same time, meant that we had to be very creative to find solutions to have both sorted in time. The fridge could not be delivered in time and had to be fetched using a trailer; and any new printer would not work with the old software that supports Matcho, the set making program, but the use of a dummy router proved a winner. This was followed by Lisa Boynton taking a tumble and ending up in a moon boot for weeks; the silver lining to that unfortunate event is that she was at the right place at the right time: Kon Kozak was truly wonderful tending to Lisa, as was Peter Ammon, and how fortunate it was that both doctors attended social tennis that day. She received the best First Aid immediately, and from the non-medicos, excellent service fetching some refreshments from the bar, and she was a real trouper through it all. Tennis West had its AGM in November and finally appeared to have settled some issues that publicly played up in the media recently. Should you wish to keep up with what is going on, you can find all the relevant information on the Tennis West website. The committee so far has opted to follow Tennis Australia's lead, but we of course keep an open mind and will review our position should there be new information coming to light.

We opened the summer season with hard work at the Busy Bee on the 7th of October. The clubhouse and the grounds were spruced up with the help of the fabulous volunteers who donned gloves, aprons and mostly just bare hands, to get the club ready in time for the Junior Open Day on Friday 13th October. Thanks to Warren and Tennis HQ for the well run and, as usual, well attended day. A fast clean up and reset made the club ready for Open Day the following day, on Saturday the 14th, with all and sundry, from near and from far, making an appearance at this joyous event. Thereafter we hosted the Open Round Robin on the 22nd of October, which brought its usual competitive banter and friendly rivalries. Check out the winners further down the Network. Not too long after, we had a very well run and fun Quiz Night on the 18th of November powered by Warren Vickers and Mark Dodd. The year was capped off with a fantastic Christmas Party Seafood BBQ by Charlie Micalizzi and Stjepan Maticevic. They carried off a small miracle feeding fish and more to an ever-expanding attending crowd, that kept growing day by day. They had a very capable support crew in Michelle, Mel and Carolyn who oversaw to the logistics and set up on the day.

PRESIDENT'S REPORT

continued

With regards to housekeeping issues at the club, thanks are due to Neil Croker and Mark Dodd for their time spent with ongoing contract negotiations regarding the Tennis Coaching Contract with Warren Vickers and Tennis HQ which we hope to finalise soon. Thanks are due to Frank Sweeney as well for his ongoing efforts with regards to supporting and liaising with our current groundsman, Brandon, as we need our courts to be in top notch condition in time to host the TSWA tournament in April.

Looking further into the long term, and keeping on trend, the committee heard two presentations about Pickle and Padel Tennis from their biggest respective operators in Perth. It was a fact-finding mission to better understand that space, and to see if and how it could be a beneficial and complementary addition to the sport of tennis at existing tennis clubs. It is important to understand how these two very fast-growing racquet sports can be leveraged and harnessed to financially and socially secure the future of our tennis club. For that we thank Richard Clarke whose help I sought to gather the relevant information and organise the respective presentations. The committee has not decided on any course of action so far; any project will be a long-term affair, and no decision should be made without input from the club members who would be informed of the pros and cons.

Thank you to our stable of sponsors, which saw three additions this year in Broadway on the Bay, Integrated IP and Grand Cru. It would be that much harder to run the club without the support of all our valuable sponsors.

I would like to thank posthumously Michaela Collingwood for her very generous legacy of \$ 20,000 to the Nedlands Tennis Club. The committee is thinking how best honour her. Please read on the lovely article by Pip Micalizzi who best describes what a wonderful lady, club member and so much more that she was.

Finally, we would not be able to fulfil the mission of running our wonderful club without the commitment and generosity of our volunteers, especially that of the committee. Thank you for all that you do for, and alongside each other, I, as president, am grateful for your willingness to give your time and talents. Best wishes for peace and joy this coming year.

JUNIOR OPEN DAY AND OPEN DAY

Junior Open Day

Junior Open Day on the 13th of October was a fun for all affair at Nedlands Tennis Club. From Fun games, sausage sizzle and a ball machine, hordes of little future tennis players lined up for the fun, while their parents took the opportunity to mingle and relax with fellow friends and parents. Thank you to Warren Vickers and Linda Blatchford of Tennis HQ for hosting another successful Junior Open Day. Finally, thank you to Michelle Smith and Mel English for the hugely successful ice cream station, while Neil Croker, Suresh Sakar, and Frank Sweeney were working a sweat lining up sausages on the BBQ.

Open Day

Open Day on Saturday the 14th October, was again a great success with over 100 tennis lovers attending the opening of our 2023/24 tennis season. Open Day is a great way to create interest at NTC and a perfect opportunity to extend a warm welcome to both existing and potential players, and to showcase what we do and what a great community we are. Hard work by Carolyn Choong, Direszni Bennett and Yasuko Nagai ensured that the club looked amazing and festive. Thank you to all the sponsors who kindly donated prizes for the Raffle Fund Raiser, and to all the volunteer on the day. As usual, the après tennis went well into the evening, with drinks, music and noisy banter.

CAPTAIN'S REPORT

Written by Peter Schmitt and Liz Schmitt

Since my last report, we have transitioned to 3 computer operators for Saturday social with Mairead Dawson-O'Donnell's daughter, Lucy, and Direshni Bennett's daughter, Lexi, joining brother Mathew as our team on the roster. We are grateful for their stepping up and undertaking the role of set coordinators. I have noticed that all club members have made them feel welcome.

A couple of reminders regarding making the set-makers job slightly easier. These include firstly, kindly texting through if you wish to commence playing from a particular set rather than ringing. Secondly, be aware that the set-makers may not be able to confirm the text as they may be very busy especially at the beginning of the day and at afternoon tea. Thirdly, just a gentle reminder to let the coordinators get on with their job with minimal disturbance as they are trying to make the best sets for all members. Furthermore, remember to advise them if you plan to leave early with plenty of notice and, finally, be aware that player rankings have been revised recently so all sets should be more even. If you think your ranking should be revised please talk to the club captains and not the coordinators.

We have had wonderful turnouts most Saturdays with up to 12 courts in play. All sets have been played with excellent manners, good court etiquette and with a great social spirit.

A big part of our success as a club is our roster system for afternoon tea and bar duties. Thanks go to all club members as volunteers who have on every request agreed to fulfil their duties or have organised to swap.

Thursday afternoon social tennis has improved immensely now ladies have joined in with 3 courts required last Thursday. If you would like to join in please seek out Alan Boynton to get added to the WhatsApp group. Play starts at 3.30; 4 if it's too hot. Ladies social tennis is still on Wednesday mornings at 8.30am.

Thanks to all participants and enjoy your tennis at Nedlands.

Kind regards,

Peter and Liz

REMEMBERING MICHAELA COLLINGWOOD

Written by Pip Micalizzi

For the members of NTC who knew Michaela Collingwood it will come of no surprise to you as to her generosity.

Michaela has bequeathed \$20,000 to NTC and as a club, we are truly grateful, not just for this generosity but also for her generosity of spirit while she was with us.

Michaela was a regular player on Thursday mornings and Saturday afternoons. She attended social functions and spoke glowingly of NTC and its members, often mentioning the club on her radio programme. She made many friends, many of whom helped her with various tasks while she had periods of being unwell. I can't say I especially enjoyed walking her dog but I did enjoy that the chores were shared by many. Special mention must be made of Anne Pickard who has been a wonderful, caring friend to Michaela for many years.

I am sorry for the new members who did not know her but please remember her as a member who contributed in all aspects of the club and helped make it the friendly and welcoming club it is today.

At Michaela's funeral her words were read to the congregation. She wrote of how as an adult she had had a happy and rewarding life and wrote of how lucky she had been. She will want to be remembered as having a life well lived and I for one will remember her that way.

I hope her spirit lives on at the club and we do not forget her generosity.

Nat

LEAGUE NEWS

Written by Neil Crocker

NTC have 7 men's league teams competing in the Wednesday night doubles competition. At the Xmas break we are well placed to win a few flags.

Highlights to date:

Division 1 team captained by Andrew Stead is undefeated including home and away wins vs bitter rivals City Beach.

Division 4 team captained by Rob Lilburne are also in 1st position with an impressive 6 wins and 1 loss.

Our Division 6 (captained by Andrew Stanbury) and 7 teams (captained by Julian Goldsworthy are also in the top 4.

At the other end of the spectrum Steve Hollier's Div 6 team is desperately in need of inspiration when they return from their annual pilgrimage to the national seniors event.

COACH'S CORNER

Written by Warren Vickers

Happy New Year! From myself and all our coaches here at Tennis HQ. It's been a great start to the new tennis year with the United cup including both world number one players playing here in Perth. I hope that you had the opportunity to see them in action.

It has certainly been a warm summer and time on court is definitely best spent in the early morning hours or the late afternoons. Either way we have some nice morning shade coverage on the grass courts from the palms and trees on Bruce rd verge and from the golf course and Melvista parkland trees in the afternoons.

SUMMER HOLIDAY CLINICS

We run holiday tennis programs for kids through-out the holidays, we finished up on December 23rd, had our normal holiday break over the Christmas and New Year period and started up again January 3rd. We have had good numbers of kids giving tennis a go, being inspired by the Australian Summer of Tennis on TV and looking for fun sporting options to fill their days. We will be running all the way until school starts again if you have kids or grandkids wanting some holiday sports time.

2024 ADULT COACHING

We are proud to have been able to provide our coaching services to members for over fifteen years, we hope to be here for many more. We value feedback from members so we can offer the services that YOU need to help your tennis journey.

Did you know we offer the following?

- Beginner Adults – for those new to the sport
- Adult Fundamentals – for those who have the basics but need work of all aspects
- Adult Intermediate – for those who are comfortable with all aspects but looking for improvement
- Ladies League Drills – for league level ladies looking for doubles tactical play
- Advanced Mens Drills – for league level men wanting competitive drilling
- Cardio tennis – for all levels of playing looking for a workout and a fun environment to whack some balls

We are also looking to add a mixed drills night class and some new cardio options for different fitness levels. Keep a look-out for these options which might be something you might love to try. We also always offer private group sessions, whether it be for a league team or a group of friends wanting to play together at a time suitable for them.

WA TEAM SELECTION

Tennis HQ student Dilki de Silva has recently been selected to represent WA in the Super 10s National event in Melbourne Park during the Australian Open. Four boys and four girls aged 10 are selected to represent each state and compete in a teams event, involving six days of matchplay, training and education with some of Australia's best coaches and professional athletes.

In 2023 we had Vivek Raja attend the event and he had an amazing time and has progressed strongly in his tournament results over the last year. We hope Dilki has the same amazing experience later this month.

TIP OF THE MONTH – ONE STEP AHEAD

Do you remember playing those really strong opponents? The ones who always seem to be in the right place at the right time? Seemingly knowing where you are going to hit the ball and be in position waiting for the opportunity!

Annoying right! Well why not become one of those players? It's not as hard as it sounds. The first step is to just try to put yourself in your opponent's shoes. What shot would you normally hit there? Chances are they would choose something similar to you. If they don't then try to learn from it, was it an opportunity elsewhere that led them to choose the different shot or was it perhaps a pattern and it is a shot they just love to play. Next time you are out on court in a more "social" set, have a go at guessing where the next shot will go, if you are right you will get one step ahead, if you aren't right you get a chance to do a little bit of analysis and learn something new, either way it's a win!

HAPPY HITTING!

Warren & Team at TENNISHQ

PS. If you are looking for a lesson with me personally, please feel free to contact me directly. I am typically at capacity but may have spots open up via cancellations or clients being away/injured. I would love to coach everyone who requests a lesson, unfortunately it's not always possible. I can't take phone calls whilst on court but will respond to text or email when the opportunity arises.

CONGRATULATIONS TO DEB LORD

AusIMM Awards

The AusIMM Awards (<https://www.ausimm.com/career-development/awards/>) have been recognising contributions to AusIMM and professional excellence in the resources sector for more than 80 years.

The President's Award was first awarded in 1974 (50 years ago) and in that time it has only been received by men. Our own Deb was the first woman to have been the recipient! The President's Award may be presented to any senior and influential professional who has made a notable contribution to, or achievement within AusIMM or the resources sector.

As an AusIMM Fellow since 2012 and with 30+ years of industry experience, including as Head of Resource Governance at BHP, Deborah brings a strong technical risk and governance focus to assessing and valuing mineral deposits.

Deborah is the current chair of VALMIN, having served on the Committee since 2011. She was a major contributor to the 2015 VALMIN Code update, including negotiating with both ASX and ASIC. Deborah is also participating in the current JORC Code update via the working groups.

In addition to her achievements in the professional standards space, Deborah has been a champion for women in mining. She was an early advocate for flexible working arrangements and was a mentor in the International Women in Mining program. Deborah is generous in sharing her thoughts and opinions, providing professional guidance to those who seek it, as well as being called on as an expert in her field.

Congratulations Deb !
